EXPLANATORY NOTE

The purpose of this Amendment No. 1 (the "Amendment") to the Annual Report on Form 10-K of Steel Connect, Inc. (the "Company") for the year ended July 31, 2020 ("Fiscal 2020"), filed with the Securities and Exchange Commission (the "SEC") on September 30, 2020 (the "Original Form 10-K"), is to include the information required by Part III, Items 10 through 14. This information was previously omitted from the Original Form 10-K in reliance on General Instruction G to Form 10-K, which provides that registrants may incorporate by reference certain information from a definitive proxy statement prepared in connection with the election of directors and filed no later than 120 days after an issuer's fiscal year end. The Company has determined to include such Part III information by amendment of the Original Form 10-K rather than incorporation by reference to a proxy statement. Accordingly, Part III of the Original Form 10-K is hereby amended and restated as set forth below.

In addition, in accordance with Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), Item 15 of Part IV of the Original Form 10-K is hereby amended to include as Exhibits 31.3 and 31.4 the certifications required under Section 302 of the Sarbanes-Oxley Act of 2002.

Except as described above, no other changes have been made to the Original Form 10-K. This Amendment does not affect any other section of the Original Form 10-K and speaks as of the filing date of the Original Form 10-K. Among other things, forward-looking statements made in the Original Form 10-K have not been revised to reflect events that occurred or facts that became known to us after the filing of the Original Form 10-K, and such forward-looking statements should be read in their historical context. Accordingly, this Amendment should be read in conjunction with the Company's other filings made with the SEC subsequent to the filing of the Original Form 10-K.

Narrative Disclosure to Summary Compensation Table

The compensation paid to the above-named Named Executive Officers during Fiscal 2020 included salaries, bonuses and perquisites as more fully described in the notes to the Summary Compensation Table and below. The principal terms of agreements with Named Executive Officers regarding employment and compensation are set forth below under the section titled "*Employment Arrangements of Named Executive Officers.*"

Non-Equity Incentive Plan Compensation

From time to time, the Compensation Committee establishes a Company Management Incentive Plan (or "Company MIP"), which provides cash incentives for our non-IWCO executives. The Company did not establish a Company MIP for either of Fiscal 2020 or Fiscal 2019.

Additionally, as a result of the Company's acquisition of IWCO Direct on December 15, 2017 (the "IWCO Acquisition"), the Company integrated certain IWCO Direct compensation practices into the Company's compensation framework. Specifically, Mr. Andersen participated in the IWCO Direct 2018 Short-Term and Long-Term Incentive Plans, which provide for cash awards (the "2018 IWCO Plans") and IWCO Direct 2019 Short-Term and Long-Term Incentive Plans (the "2019 IWCO Plans"). These plans were designed to motivate appropriate behaviors that support short-term and long-term growth of stockholder value, by rewarding the achievement of financial, business and management goals that are essential to the success of IWCO Direct, and to enable our target total compensation to remain competitive within the marketplace for executive officers.

2019 IWCO Incentive Plans

The 2019 IWCO Plans related to IWCO Direct's fiscal year ended December 31, 2019 (the "2019 IWCO Plan Year"), under which discretionary cash awards ("2019 IWCO Awards") are expressed as a percentage of the base salary paid during that plan year. The 2019 IWCO Awards were determined based on the achievement of certain weighted performance targets, a majority of which was financial performance, including, within such category, mostly the 2019 IWCO Plan Year adjusted EBITDA target for IWCO Direct and, to a lesser extent, the 2019 IWCO Plan Year working capital turns target ("the 2019 IWCO Financial Performance Target"), and a minority of which was individual performance based on certain objectives (the "2019 IWCO Personal Performance Target"). In determining the 2019 IWCO Financial Performance Target, the financial objectives, while feasible to meet, were challenging to achieve and required improved performance compared with prior year results. For the 2019 IWCO Plan Year, IWCO achieved sufficient results on the 2019 IWCO Financial Performance Target, and Mr. Andersen was evaluated under the 2019 IWCO Personal Performance Target to earn a partial payment. Accordingly, Mr. Andersen received a 2019 IWCO Awards of \$606,615 under the 2019 IWCO Plans, \$283,355 of which was paid in March 2020, with \$243,451 to be paid in September 2020 and the remainder to be paid ratably in each of March 2021 and 2022, subject to Mr. Andersen's continued employment with the Company. In connection with Mr. Andersen's departure in May 2020, Mr. Andersen became no longer entitled to the amounts not yet paid.

2018 IWCO Incentive Plans

The 2018 IWCO Plans related to IWCO Direct's fiscal year ended December 31, 2018 (the "2018 IWCO Plan Year"), under which the cash awards ("2018 IWCO Awards") target for Mr. Andersen was 100% of base salary. The 2018 IWCO Awards were determined based on the achievement of certain weighted performance targets, a majority of which was the 2018 IWCO Plan Year adjusted EBITDA target for IWCO Direct (the "2018 IWCO EBITDA Target") and minorities of which were defined objectives in support of IWCO's corporate objectives and a working capital target. In determining the 2018 IWCO EBITDA Target, the financial objectives, while feasible to meet, were challenging to achieve and required improved performance compared with prior year results. For the 2018 IWCO Plan Year, IWCO achieved sufficient adjusted EBITDA, met defined objectives and achieved working capital levels required under the 2018 IWCO Plans to earn a partial payment. Accordingly, Mr. Andersen received a 2018 IWCO Awards of \$674,434 under the 2018 IWCO Plans, \$584,526 of which was paid in March 2019 and \$44,954 of which was paid in March 2020, with the remainder to be paid in March 2021, subject to Mr. Andersen's continued employment with the Company. In connection with Mr. Andersen's departure in May 2020, Mr. Andersen became no longer entitled to the amounts received but not yet paid.

Employment Arrangements of Named Executive Officers

Warren G. Lichtenstein

Mr. Lichtenstein has not been separately compensated for his service as Interim Chief Executive Officer of the Company. However, subject to the discretion of our Board and/or Compensation Committee, Mr. Lichtenstein may receive compensation for service payable in future years. Mr. Whitenack assumed the position of Chief Executive Officer of ModusLink on October 31, 2018. Prior to that, Mr. Whitenack served as the Chief Operating Officer of ModusLink since June 25, 2018. The Company and Mr. Whitenack executed an employment offer letter dated June 6, 2018, which provided for an annualized base salary of \$370,000, which base salary was increased to \$388,500 as of December 1, 2019 and remained unchanged through his separation in June 2020. Mr. Whitenack was also eligible for an annual cash bonus under Company MIPs, when adopted, with a target equal to 60% of his base salary. Mr. Whitenack received a discretionary cash bonus of \$222,000 for performance in Fiscal 2019, \$148,000 of which was paid in December 2019, with the remainder to be paid in July 2020, subject to Mr. Whitenack's continued employment with the Company. On June 11, 2020, Mr. Khalil was appointed President and Chief Executive Officer of ModusLink, succeeding Mr. Whitenack. In connection with Mr. Whitenack's departure, he became no longer entitled to the cash bonus amount not yet paid.

James N. Andersen

Mr. Andersen's base salary was \$715,628, which remained unchanged from the closing of the IWCO Acquisition through his separation in May 2020. Mr. Andersen was also eligible to participate in IWCO short-term and long-term incentive plans. Effective May 15, 2020, John Ashe was appointed Chief Executive Officer of IWCO, succeeding Mr. Andersen.

John Ashe

Mr. Ashe was appointed Chief Executive Officer of IWCO on May 15, 2020. IWCO and Mr. Ashe executed an employment agreement dated June 4, 2020 (the "Employment Agreement"), which provides for an annualized base salary of \$400,000 and an annual bonus, with a target equal to 100% of his base salary. The Employment Agreement also provides for (i) a one-time sign-on bonus of \$65,000, payable on the first payroll date after Mr. Ashe relocates to the Minneapolis area, (ii) a monthly automobile allowance of \$1,000, and (iii) certain relocation assistance benefits. Separately, Mr. Ashe was provided with a grant of 400,000 shares of Company stock, which were granted on July 1, 2020, pursuant to the Company's 2010 Incentive Plan.

In the event that Mr. Ashe is terminated without "cause" (as defined in the Employment Agreement) prior to May 15, 2022, Mr. Ashe is entitled to (A) a severance payment equal to twelve months of his base salary and (B) reimbursement of COBRA payments until the earlier of (i) twelve months following the effective date of the general release of claims, (ii) the date Mr. Ashe is no longer eligible to receive COBRA coverage, or (iii) the date Mr. Ashe becomes eligible for comparable coverage from another employer (collectively, the "Ashe Severance Benefits"). The Ashe Severance Benefits are also payable, at any time during the term of the Employment Agreement, in the event that Mr. Ashe is terminated without "cause" as part of a change of control of IWCO. In order to receive the Ashe Severance Benefits, Mr. Ashe is required to execute a general release of claims in favor of IWCO and the Company.

Joseph B. Sherk

Mr. Sherk is party to a severance agreement with the Company, dated as of February 8, 2012, which was continued pursuant to a letter agreement dated as of May 8, 2017 (collectively, the "Severance Agreement"), which provides that if Mr. Sherk's employment is terminated for a reason other than for "cause" (as that term is defined in the Severance Agreement), (A) Mr. Sherk will be eligible to receive his regular bi-weekly salary as in effect on his

last day of employment for twelve months following such termination and (B) the Company will pay Mr. Sherk's insurance premium for the Company medical plan for twelve months following termination. In connection with his appointment to Senior Vice President and Chief Accounting Officer of the Company, Mr. Sherk's annual base salary was increased to \$291,872. In order to receive the benefits provided by the Severance Agreement, Mr. Sherk is required to execute a waiver and release of any and all claims he may have against the Company and its officers, employees, directors, parents, subsidiaries and affiliates upon his termination.

Potential Payments Upon Termination or Change-in-Control

There were no agreements or arrangements providing for payments or benefits in the event of termination of employment of any of our Named Executive Officers as of July 31, 2020, other than Mr. Sherk's Severance Agreement and Mr. Ashe's Employment Agreement, and payments to Mr. Andersen of \$14,567 and Mr. Whitenack of \$22,413 for accrued and unused vacation days, which they received following their departures from the Company in May 2020 and June 2020, respectively.

The December 2017 Awards were measured based on the fair market value on the grant date. For a discussion of ongoing legal proceedings regarding the December 2017 Awards, see Note 9 to our audited consolidated financial statements for the year ended July 31, 2020 in the Original Form 10-K.

Director Compensation Program

Members of the Board receive a combination of cash compensation and equity in the form of restricted stock awards, provided they are eligible under the applicable plan. In addition, all of the Directors of the Company receive reimbursement of expenses incurred with respect to attendance at meetings of the Board and meetings of committees thereof, which amounts are not included in the above table.

All Directors are eligible to receive compensation, other than any Director who (i) is an employee of the Company or any of its subsidiaries or affiliates or (ii) unless otherwise determined by the Board, is an affiliate, employee, representative or designee of an institutional or corporate investor in the Company (an "Affiliated Director"). The terms of our director compensation for Fiscal 2020 were formally governed our 2015 Director Compensation Plan. The terms of our director compensation for the Fiscal 2021 were adopted by our Board without a formal plan, but are subject to the restrictions on Director equity awards in our 2020 Stock Incentive Compensation Plan (the "2020 Incentive Plan").

Each participating Director who serves as a Director during any fiscal quarter receives a payment for such quarter of \$12,500, with a pro rata fee applicable to service for less than a whole quarter; provided, however, that any Director who serves as the non-executive Chairman of the Board during any fiscal quarter receives a payment for such quarter of \$28,750 instead of \$12,500, with a pro rata fee applicable to service for less than a whole quarter. Each participating Director who serves as the chairperson of a committee of the Board during any fiscal quarter receives a payment of \$1,250; provided, however, that the chairperson of the Audit Committee during any fiscal quarter receives a payment of \$2,500, in each such case with a pro rata fee applicable to service for less than a whole quarter. Each participating Director who attends a telephonic meeting of the Board or a committee thereof receives a meeting fee of \$500. Each participating Director who attends a meeting of the Board or a committee thereof, where a majority of the Directors attend such meeting in person, receives a meeting fee of \$1,000. Payment of these fees,

with the exception of meeting and committee meetings, was temporarily suspended by the Board from April 2020 to June 2020.

In addition, each Director, other than an Affiliated Director, receives restricted stock awards each year for shares of common stock with a fair market value equal to \$100,000 provided that such Director is serving as a Director on the grant date. For Fiscal 2020, a one-time award was made on the first business day of the calendar year, based on the closing sale price of our common stock on Nasdaq on the grant date; for Fiscal 2021, effective January 1, 2021, this award will be made in equal quarterly grants, based on the volume weighted average of the closing sale prices of our common stock on Nasdaq for the 20 trading days ending immediately prior to the grant date. These awards vest on the first anniversary of the grant date, provided that the Director remains a director of the Company on the vesting date. Notwithstanding the foregoing, if a Director ceases to be a director due to (i) removal without cause, (ii) resignation upon request of a majority of the Board, other than for reasons the Board determines to be cause, (iii) the failure to be re-elected to the Board either because the Company fails to nominate the Director for re-election or the Director fails to receive sufficient stockholder votes, then, on the day the Director ceases to be a Director, 25% of the award vests for each full calendar quarter that the Director has served as a Director from and after the grant date (or the applicable quarterly grant in the case of Fiscal 2021 grants).

Certain of the Company's Directors have each entered into an Indemnification Agreement with the Company pursuant to which the Company shall indemnify the Director to the fullest extent authorized or permitted by applicable law in the event that the Director is involved in any threatened, pending or completed action, suit or proceeding, or any inquiry or investigation, whether brought by or in the right of the Company or by any other party and whether of a civil, criminal, administrative or investigative nature, by reason of the fact that the Director is or was a Director of the Company, or is or was serving at the request of the Company as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all expenses, judgments, fines and penalties, provided that the Director shall not have been finally adjudged to have engaged in willful misconduct or to have acted in a manner which was knowingly fraudulent or deliberately dishonest, or had reasonable cause to believe that his or her conduct was unlawful.

- (1) Pursuant to the rules of the SEC, this table shows beneficial ownership by the enumerated persons of all of the Company's outstanding voting securities, which include the common stock and the Series C Convertible Preferred Stock, par value \$0.01 per share (the "Series C Preferred Stock"). The holder of the Series C Preferred Stock is entitled to vote the stock on each matter brought before an annual meeting of stockholders on an as-converted basis together with the holders of the common stock. Such shares of Series C Preferred Stock were also convertible into 17,857,143 shares of common stock and are thus shown as being beneficially owned pursuant only to that class of voting securities.

For purposes of this table, beneficial ownership is determined by rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under these rules, beneficial ownership includes any shares over which the person has sole or shared voting power or investment power and also any shares which the person has the right to acquire within 60 days after November 19, 2020, including, in the case of an executive officer or director, shares acquirable upon termination of such individual's service other than for death, disability or involuntary termination ("Presently Exercisable Rights"). For awards of restricted stock, the number of shares of common stock beneficially owned also includes shares over which the executive officer or director may currently exercise full voting rights, regardless of whether they vest within 60 days after November 19, 2020. The inclusion herein of such shares, however, does not constitute an admission that the named stockholder is a direct or indirect beneficial owner of such shares. The Company believes that each person named in the table has sole voting power and investment power (or shares such power with his or her spouse) with respect to all shares of Common Stock or Series C Preferred Stock listed as owned by such person unless noted otherwise. Unless otherwise indicated, the address of each person listed in the table is c/o Steel Connect, Inc., 2000 Midway Lane, Smyrna, Tennessee 37167.

- (2) Number of shares deemed outstanding consists of 62,793,969 shares of common stock as of November 1, 2020, plus, for computation purposes only for the person in question, any shares subject to Presently Exercisable Rights held by that person.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Certain Relationships and Related Transactions

We describe in this section all reportable related person transactions to which we were or have been party since August 1, 2018. As of November 19, 2020, Steel Holdings and its affiliates, including two of our directors who were members of a Section 13(d) group with these affiliated entities, beneficially owned approximately 54.5% of our outstanding shares of common stock, including shares of Series C Preferred Stock and the SPHG Note (as defined below). For more information, see "ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS." Mr. Lichtenstein, our Interim Chief Executive Officer and the Executive Chairman of our Board, is also the Executive Chairman of Steel Holdings GP. Mr. Howard, a member of our Board, is the President and a director of Steel Holdings GP.

SPHG Note Transaction

On February 28, 2019, the Company entered into that certain 7.50% Convertible Senior Note Due 2024 Purchase Agreement with SPHG Holdings, whereby SPHG Holdings agreed to loan the Company \$14.9 million in exchange for a 7.50% Convertible Senior Note (the "SPHG Note") in the amount of \$14.9 million, due 2024, issued to SPHG Holdings (the "SPHG Note Transaction"). The SPHG Note bears interest at the rate of 7.50% per year,

payable semi-annually in arrears on March 1 and September 1 of each year, beginning on September 1, 2019. As of July 31, 2020, the Company had made interest payments in the amounts of \$1.1 million and had \$14.9 million aggregate principal amount remained outstanding. The SPHG Note will mature on March 1, 2024, unless earlier repurchased by the Company or converted by the holder in accordance with its terms prior to such maturity date.

The SPHG Note is convertible into shares of the Company's common stock at an initial conversion rate of 421.2655 shares of common stock per \$1,000 principal amount of the SPHG Note (which is equivalent to an initial conversion price of approximately \$2.37 per share), subject to adjustment upon the occurrence of certain events. The initial conversion price represents a conversion premium of 25% over the volume weighted average price of the Company's common stock for the 20 trading days ending February 27, 2019.

SPHG Holdings has the right to require the Company to repurchase the SPHG Note upon the occurrence of certain fundamental changes, subject to certain conditions, at a repurchase price equal to 100% of the principal amount of the SPHG Note plus accrued and unpaid interest. The Company will have the right to elect to cause the mandatory conversion of the SPHG Note in whole, and not in part, at any time on or after March 6, 2022, subject to certain conditions including that the stock price of the Company exceeds a certain threshold.

Our Board established a special committee (the "Special Committee"), consisting solely of independent directors not affiliated with SPHG Holdings, to review and consider a financing transaction including a transaction with SPHG Holdings. The terms and conditions of the SPHG Note Transaction were determined by the Special Committee to be fair and in the best interests of the Company, and the Special Committee recommended that the Board approve the SPHG Note Transaction and the transactions contemplated thereby. See Note 7, "Debt - 7.50% Convertible Senior Note" to the Consolidated Financial Statements included in Part II of the Original Form 10-K.

Management Services Agreements

On December 24, 2014, the Company entered into a Management Services Agreement with SP Corporate Services LLC ("SP Corporate"), effective as of January 1, 2015 (as amended, the "2015 Management Services Agreement"). SP Corporate, and its successor, Steel Services, is an indirect wholly-owned subsidiary of Steel Holdings and is a related party. Pursuant to this agreement, SP Corporate provided the Company and its subsidiaries with the services of certain employees, including certain executive officers and other corporate services.

On June 14, 2019, the Company entered into a new management services agreement (the "2019 Management Services Agreement") with Steel Services, an indirect wholly-owned subsidiary of Steel Holdings, effective as of June 1, 2019. The 2019 Management Services Agreement superseded all prior agreements between the Company and Steel Services, including the 2015 Management Services Agreement. Pursuant to the 2019 Management Services Agreement, Steel Services provides the Company and its subsidiaries with the non-exclusive services of a person or people to serve in various positions or functions, and perform duties normally associated with those specific or substantially equivalent positions or functions for the Company, including: legal and environmental health & safety, finance and treasury, human resources, lean, internal audit, mergers and acquisitions, and information technology (the "Services").

The 2019 Management Services Agreement provides that the Company will pay Steel Services a fixed monthly fee of \$282,800 in consideration of the Services and will reimburse Steel Services and its representatives for all reasonable expenses incurred in providing the Services. Additionally, Steel Services shall, to the extent legally permissible, earn a reasonable success fee to be mutually agreed upon by the parties for any acquisition, divestiture, or financing transaction completed by the Company during the term of the 2019 Management Services Agreement.

The 2019 Management Services Agreement was renewed for an additional one-year period on December 31, 2019 and will automatically renew for successive one-year periods (each such period, a "Term") unless and until terminated (i) by either party, effective on the last day of the current Term, upon not less than ninety days prior written notice to the other; (ii) by the Company, at any time, on less than 90 days' notice; provided that, in the case of (i) or (ii) the Company pays a termination fee to Steel Services as provided in the Management Services

Agreement, which fee shall equal 125% of the fees due under the 2019 Management Services Agreement from and including the termination date until the 90th day following the date of such termination; (iii) immediately upon the bankruptcy or dissolution of Steel Services; (iv) promptly by the Company upon a material breach of the 2019 Management Services Agreement by Steel Services; or (iv) immediately by the Company for Cause (as defined in the 2019 Management Services Agreement).

A special committee of the Board comprised entirely of independent directors having no affiliation with SP Corporate or its affiliates, approved the entry into the 2015 Management Services Agreement, and the first two amendments to the 2015 Management Services Agreement. The Audit Committee approved the third amendment to the 2015 Management Services Agreement.

In April 2019, the Board authorized a special committee, which consists solely of independent directors not affiliated with Steel Holdings or its affiliates, to review, negotiate, approve or reject transactions between the Company and Steel Holdings or its affiliates. The special committee reviewed, considered and recommended for approval by the Board the 2019 Management Services Agreement, which was subsequently approved by the Board with directors affiliated with Steel Services or its affiliates abstaining. In performing the Services, Steel Services will be subject to the supervision and control of the special committee and will report to the special committee and/or such other person designated by the special committee.

Total expenses incurred related to the 2019 Management Services Agreement for the fiscal year ended July 31, 2020 totaled \$3.4 million, and total expenses incurred related to the 2015 Management Services Agreement and the 2019 Management Services Agreement for the fiscal year ended July 31, 2019 totaled \$1.8 million. As of July 31, 2020 and 2019, amounts due to Steel Services were \$0.8 million and \$0.5 million, respectively.

Air Travel

During the twelve months ended July 31, 2020 and 2019, the Company reimbursed SP General Service, LLC for air travel in the amounts of \$0.5 million and \$0.1 million, respectively, which was primarily related to services provided under the 2015 Management Services Agreement and the 2019 Management Services Agreement with respect to implementing efficiency improvements at IWCO.

Other

Director Independence

Board Independence

The Board has determined that each of Jeffrey J. Fenton, Maria U. Molland, Renata Simril and Jeffrey S. Wald, satisfy the criteria for being an "independent director" under the standards of Nasdaq and has no material relationship with the Company other than by virtue of his or her service on the Board. A full list of current Directors is set forth above under "*ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE – Information about our Directors.*"

Committee Independence

The Audit Committee currently consists of Jeffrey J. Fenton, Renata Simril, and Jeffrey S. Wald, as chairman, each of whom is independent as defined in applicable Nasdaq listing standards and Rule 10A-3 under the Exchange Act. The Compensation Committee currently consists of Jeffrey J. Fenton, as chairman, and Maria U. Molland, each of whom is an independent director as determined in accordance with the Compensation Committee charter and applicable Nasdaq rules. The Governance Committee currently consists of Jeffrey S. Wald and Maria U. Molland, as chairwoman, each of whom is independent as defined in applicable Nasdaq listing standards.

Controlled Company Status

Steel Holdings and its affiliates, including Messrs. Howard and Lichtenstein, beneficially own as of November 19, 2020 approximately 54.5% of our outstanding shares of common stock, which includes shares of common stock underlying currently convertible Series C Preferred Stock and the SPHG Note.

As a result, we are a "controlled company" within the meaning of Rule 5615(c) of the Nasdaq Listing Rules. Under the Nasdaq rules, a company of which more than 50% of the voting power for the election of directors is held by an individual, group or another company is a "controlled company" and may elect not to comply with certain Nasdaq corporate governance requirements, including: (i) the requirement that a majority of the Board consist of independent directors; (ii) the requirement that we have director nominees selected or recommended for the Board's selection, either by a majority vote of only the independent directors or by a nomination committee comprised solely of independent directors, with a written charter or Board resolution addressing the nominations process; and (iii) the requirement that we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities. A majority of our Board is currently independent, and each of our Audit Committee, Compensation Committee and Governance Committee is fully independent and has its own charter. As such, we do not currently rely on any of these exemptions, although we may elect to do so in the future.
